

About METALLUM

- METALLUM – Annual technical fest of Metallurgy & Materials Engineering, IEST Shibpur.
- Metallum 2026 (7th Edition) – Platform for students, researchers, and industry.
- Promotes high technical excellence and practical learning.
- Bridging academia and industry in materials science.

About IESTS

- Established in 1856, India's second-oldest engineering institute.
- An Institute of National Importance with 170+ years of excellence.
- Renowned for strong academics, research, and technical leadership.
- Supported by a global alumni network across industry and academia.

OUR EVENTS

Met-Tricks

A paper presentation event
addressing real-world industrial
challenges with innovative solutions.

Prorecruit

Experience the recruitment process
through a Mock Placement Event.

निर्माण

Startup Pitch Event to tackle real-
world problems with innovative
ideas.

OUR EVENTS

Metalloscope

Technical Poster Presentation to
showcase innovative ideas and
research.

Metapolish

From quiz to microscope—prove
your metallography skills

Industrial Meet

An Industrial Meet fostering
industry–academia interaction and
collaboration.

Why Sponsor us?

- Access 500+ targeted footfall of engineering students and professionals.
- Associate your brand with IEST Shibpur – an Institute of National Importance.
- Nationwide participation from premier institutes such as IITs, NITs, and leading universities like Jadavpur University.
- Strengthen talent branding and recruitment outreach.
- Direct visibility among future metallurgists and materials engineers.
- High-impact exposure through technical events, workshops, and talks.
- Connect academia with industry through meaningful interactions.
